

Art Camp is done every couple of years in conjunction with the Museum of Fine Arts Houston. They send an artist to the library every day for a week. Art projects are done each day based on a book and a piece of art on display at the museum.

One of our BBLF Board Members recently retired from the Board after many years of service. Polly Black has been a dedicated member of the board almost since its inception. She has held a wide range of positions including being President in the early 1980's, coordinating the donation of pavers for the new library, serving on the budget committee, writing thank-you letters for book mural donations, working at many used book sales, and doing countless other tasks. Although she is stepping down from the Board she will continue to volunteer at the library, processing our used book donations and working with the book store. Thank you, Polly, for your many years of volunteering for the Barbara Bush Library Friends.
