

Harris County Public Library

2008 Union List of Periodicals

This is a union list of all journals, magazines, and newspaper subscriptions for 2008 received by the Harris County Public Library System. The list is arranged alphabetically by title. Branch Libraries receiving a title are listed by the branch symbol. To determine if

____Branch has a particular title, look for the Branch Symbol ____.

If the title is available on microfiche, the branch symbol and the year(s) available will be noted under Microfiche Holdings.

If the branch does not have the magazine you need, a librarian can request a copy of an article through interlibrary loan. Charges may apply. Consult your librarian for possible fees.

Cy-Fair Branch and Tomball Branch are cooperative libraries associated with Lone Star College District. These branches have additional academic periodicals not included in this listing. Consult each college's catalog to determine which periodicals are provided by each college.

KEY TO BRANCH SYMBOLS:
