Searching: **MEDLINE with Full Text** | [Choose Databases >](#)

asthma ?

[Search Options](#) | [Advanced Search](#) | [Visual Search](#) | [Search History/Alerts](#) | [Preferences >](#)

Search Options

<p>Search modes ?</p> <ul style="list-style-type: none"> <input checked="" type="radio"/> Boolean/Phrase <input type="radio"/> Find all my search terms <input type="radio"/> Find any of my search terms 	<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Apply related words <input type="checkbox"/> Also search within the full text of the articles
---	---

Boolean/Phrase is the default Search mode and searches your terms as they are entered. To place an **AND** between your search terms, select the **Find all my search terms** Search mode. You can automatically place an **OR** between search terms by clicking the radio button for the **Find any of my search terms** Search mode. Place a check in the box for **Apply related words** to further expand your results by also searching synonyms of the terms.

EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions. EBSCO Customer Support Representatives are available Monday through Friday from 4 a.m. to 8 p.m. (EST) and Saturday and Sunday from 9 a.m. to 5 p.m. (EST).

How to Use Help

- When the Help icon appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon to the right of the database name or databases drop-down list.
- To view the entire Help System, click the Help link at the top right-hand corner of the

HELP: Click on the Help link to view the complete online help manual, and visit our support site at <http://support.ebsco.com> to browse our Knowledge Base of FAQs, download Help Sheets, User Guides and online tutorials, or see what's new in our Top Stories. This concludes the MEDLINE with Full Text Searching tutorial.
