

To return the title early, or to delete it from the device, make sure you are in the Bookshelf screen.

Select the “Edit” button from the upper left.

After selecting “Edit,” a red circle will appear to the left of the titles in your bookshelf. Pressing the red circle will make the word “Delete” appear to the right of the title.

Once you press the red “Delete” button, you will then be able to choose to “Return and Delete” the title or “Delete without Returning.”
